

ORBA

TRILLIUM AWARD ACKNOWLEDGEMENT

**The Ontario Asphalt Pavement
Council (OAPC) Confirms that:**

**KING PAVING &
CONSTRUCTION – John Hutter.**
Burlington Asphalt Plant – 1077 Howard Rd.

Was Trillium Awarded in 2022
Most Recent Recertification: N/A

“Per OAPC Trillium Award requirements, recertification applicants which have elapsed more than 3 years will require a written letter stating they remained in good standing over that period. Plants that have allowed their certification to elapse more than 5 years will be required to resubmit as a new applicant”

**This facility is in good standing,
and is required to recertify in 2025.**

*Recertification grace period for this facility elapses in 2027, and **MUST** not be delayed beyond 2027. The validity of this acknowledgement in the periods between 2026 – 2027 **MUST** be supported by an approved letter of compliance from OAPC, if recertification is not pursued in 2025.*

Dominic A. Crupi
Chair, Ontario Asphalt Pavement Council (2022)

*Trillium Awarded and Recertified facilities are verifiable through ORBA's
Technical Services Division, and/or on the OAPC website.*
